

MEMBERSHIP RENEWAL NOTICE

April 11, 2011

Dear WILS Member:

We are excited to report that the 2010-2011 membership year was a huge success. We are now 70 members strong! Thank you to our members for spreading the word about our great organization! It's because of you that WILS continues to remain a strong organization dedicated to the development and growth of women in the leisure service field.

The program committee brought our members a variety of both personal and professional development offerings in 2010-2011. The program committee is driven by ideas from our membership. If there is something you would like to learn about or if you have a topic/speaker idea you think would benefit our membership, please include this on your membership renewal form.

WILS is also looking for member involvement within our committees: Programs, Member Services, Ways and Means, Nominations, and Historical. If you have an interest in becoming more involved with WILS or would just like to make some more connections, please consider being part of a committee. It's a great way to meet new people and share your talents. Time commitments vary from assisting to plan one meeting with the programs committee to taking pictures and keeping a history of our meetings as our historian! Please consider becoming involved with a committee and express your interest on your renewal form. Our committees need you!

New this year! Becoming a member just got easier! Renew your membership online at www.wils-zeta.com If you prefer to renew by mail, please complete the renewal form and return the form and payment to Lisa Abernathy at 3700 Monterey Dr. St. Louis Park, MN 55416.

As an incentive to getting in your membership renewal form in on time, we are holding a membership gift card raffle. All members who turn in their form and payment by Tuesday, May 31, 2011 will be entered to win!

Thank you for choosing to be a WILS member. We look forward to receiving your membership renewal and seeing you at our meetings and events throughout the coming year.

Sincerely,

Nicole Weedman
WILS President
